Report of Principal and School Improvement Council

H. B. Rhame, Jr. Elementary School continued to progress during the 2013-2014 school year. Our school received the Palmetto Gold award for academic achievement on the 2013 Palmetto Assessment for State Standards (PASS) and the Silver award for Closing the Achievement Gap.

Kindergarten through second grade continued to focus on developing the foundational skills needed for student success. Our teachers used a variety of strategies to enhance learning. Students worked on Breakthrough to Literacy to practice and enhance reading skills. Teachers implemented daily small group instruction. Emphasis was placed on mastery of grade level core reading words to facilitate grade level reading.

Rhame’s teachers are highly qualified with six National Board Certified teachers serving students. The teachers are proficient in technology and utilized advanced technology to enhance instruction. Teachers used Video Teleconferences and other technology resources to collaborate with other teachers across the nation.

Third through fifth grade students maintained forward progress in reading, math, science, and social studies. Twenty-three fourth and fifth grade students met qualifications to become Duke Talent Identification Program (Duke TIP) Scholars.

SuccessMaker Lab, and After-School Program activities provided academic enrichment and support. Additionally, students reinforced math skills using the First In Math Program at home and at school. Response to Intervention (RtI) was used to identify and serve students in need of academic assistance and support. Reading and math interventionists along with two full time tutors worked daily with small groups of students to provide academic assistance.

Parents and community stakeholders played a critical role in supporting the needs of our students. St. Andrews Baptist Church, a long standing HB Rhame partner, provided instructional resources and support for both students and teachers throughout the school year. Lunch buddy mentors from the Department of Juvenile Justice (DJJ) and the Department of Health and Environmental Control (DHEC) inspired our students to work hard and do their very best. The Upsilon Omega Chapter of Alpha Kappa Alpha Sorority, Inc., provided monthly mentorship and cultural experiences for fifth grade girls in the Girls of Promise program. NewSpring Church provided sneakers and backpacks to all HB Rhame students.

Books and Breakfast, Grandparents Day, and Parent University activities significantly enhanced parent and community involvement in our school. Together, our school, our parents and our community partners worked to empower our students to achieve their potential and dreams.

We are all about learning at HB Rhame!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	82.5
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

H. B. Rhame Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
