Report of Principal and School Improvement Council

Chapman Elementary School continues to ignite the curiosity of the technology-minded student. The infusion of technology into a balanced curriculum enhances and enriches the academic program and gives students a vibrant 21st century learning environment. On a daily basis, the use of technology is integrated into the curriculum and connections are made with the use of real-world technological applications designed to allow students to become effective problem solvers and communicators. All classrooms at Chapman are equipped with state-of-the-art interactive technology equipment. At Chapman each student first grade through fifth grade utilizes iPads in their classes. With the use of technology, Chapman students are able to research, apply, and present what they are learning in creative and cutting-edge ways.

Throughout the 2013-2014 school year, Chapman Elementary School has remained focused in its data driven approach that fosters academic growth for all students. The utilization of MAP data, District Benchmark Tests along with Domine testing provided teachers with the necessary information to meet the individual learning needs of all students. The in-depth focus on scientific-based strategies has enhanced our daily instructional delivery in the classroom to ensure student success. Teachers have been participating in intensive staff development provided by The Spartanburg Writing Project, District In-service Tuesdays and within the school throughout the year.

Programs such as Accelerated Reader, Classworks, educational trips, and Boys and Girls Club support and strengthen the standards-based instruction that our teaching staff provides daily. Additionally, a strong and active Parent Teacher Organization, Student Council service projects, and mentoring relationships with local businesses, and churches help our students gain a strong sense of community.

Our students embody the school motto:

Chapman Chiefs are Learners Today, Leaders Tomorrow!

Eric Mathison, Principal; Melissa Falk, SIC President

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	68.6
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

W. Herbert Chapman Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
