REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

McLees Academy of Leadership is an outstanding school located on the west side of Anderson, South Carolina that creates a wonderful learning environment. We are recognized in our district as a magnet school of leadership. We continued to train our staff in leadership skills based on the late Stephen Covey's work and continued implementation with our students, families, and community. McLees had an average enrollment of 660 students and 85 staff and faculty members. We house grades K-5 in regular and special education classrooms. The faculty, staff, and administration work together as a strong team with common goals. We are committed to providing a quality instructional program that is tailored for each child in a safe school environment.

Our school received a report card rating of good in 2013. We are a Red Carpet and a Schools of Promise school. We are recipients of two state awards: Literacy Spot Award which recognizes outstanding emergent literacy programs in primary schools, and Exemplary Writing Award sponsored by the South Carolina Department of Education based on an extensive evaluation of a school's instructional programs, with a particular emphasis on writing. We are also proud to be recognized as a Leader In Me School and as a Franklin Covey Lighthouse Leadership School. We were one of 39 in the world when we earned our status in March of 2013! Instructional programs at McLees included computer assisted instruction, Early Reading Intervention, Daily Calendar Math, small group math instruction, Reading Recovery, Thinking Maps, Quality Tools and balanced literacy. Each class set academic and personal goals and tracked progress through the use of scoreboards. Students tracked personal progress through leadership/data notebooks and held student led conferences to explain progress to parents. Staff development sessions included guided reading, math, technology, leadership, and data analysis. Other activities included a Chorus, Post Office, Publishing Center, School News Show, Running Club, Math Club, Drama Club, Art Club, Leadership Marches, Recycling, and Open House.

Our school's constant challenge is to ensure that all students demonstrate competency in reading, math, science, and social studies, that they attend school regularly, that they are safe and healthy, and that they demonstrate leadership and character in their personal and academic lives.

At McLees Academy of Leadership we are dedicated to our students and eagerly accept the challenge of guiding them as they become responsible, independent learners in a developmentally appropriate environment. Diversity is appreciated, and family and community are involved as partners in this process!
