Printed versions are available from school districts upon request.

**REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL**

North Pointe Elementary is the culmination of a building program that has encompassed 18.8 million dollars out of a bond referendum throughout Anderson School District Five. We are located on highway 81N, approximately 3 miles from the city limits of Anderson, South Carolina. Built in 2012 and occupied on August 6th, North Pointe is a two-story facility with 134,038 square feet sitting on almost 37 acres. The school houses 41 classrooms, 12 small tutorial spaces, 5 labs ( 2 PC, 2 iMac labs, 1 science lab), a full size auditorium, gymnasium, cafeteria and a grand Learning Commons. The school opened its doors to serve approximately 330 students primarily from two other schools within the district but also held open registration for "school choice" to any student who wished to apply.

Since this is the school's first year in operation, the School Improvement Council along with our PTO worked to gather information and establish a culture with rich traditions. We began each year with a school-wide picnic or family activity where we began getting to know each other. In that first year, we elected our first student government and continue those elections yearly. The student body named our school mascot- we are the Panthers. Many family friendly activities such as "Milk and Cookies with Santa", Spring Fling and various movie nights are open to family participation each month. Our staff sponsored afterschool clubs that enriched the lives of our students. We offered a running club, volleyball club, art club, Stock Market club and chorus to name a few. Plans are already underway through PTO and SIC to expand the offerings and allow a larger participation group this next year.

Our community has embraced our school! Through the requests and needs of the surrounding community, the county council allotted to funds to support the PTO as they added a walking/running track to our school grounds for our children and the community at large to utilize. Each year our goal is to grow as an icon within the community. Partnerships with local business and connections to the surrounding community will be our anchor in years to come.

Kelly P. Elrod  
Principal
