Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Mitchell Road Elementary faculty, staff, and community developed a comprehensive strategic plan outlining the goals, objectives, and strategies for our school. The goals focus on academic achievement, parent involvement, and a supportive educational environment. The goals address the specific school needs and are aligned to the district's Education Plan. The School Improvement Council along with school personnel regularly review the progress made in achieving these goals.

Mitchell Road Elementary is an award winning school. Thirteen teachers have received National Board Certification and several more are in the process of seeking certification. Mitchell Road recently received a Good Absolute report card rating and was identified as a 2014 Healthy School. Positive Behavior Interventions and Supports (PBIS) and Fountas and Pinnell balanced literacy model are just some of the best practices that have been implemented school-wide. We attribute our continuous improvement to our committed leadership, faculty, students and parents.

Our PTA actively supports our school through fundraising and volunteer hours. Parents have many opportunities to be involved in their child's education. The active involvement of the school's PTA helps provide programs that benefit all children. Opportunities include tutoring, volunteering in classrooms or the office, serving on committees, landscaping, chaperoning field trips, etc. We recognize the importance of parent involvement in our school and the impact that it can have on student success.

Teachers and staff work together to meet the needs of each student. Every child has the opportunity to achieve success related not only to academics, but also in areas such as music, art, and physical education. All students are encouraged to do their best at all times! We enjoy celebrating the successes attained by each child.

Nerissa Lewis, Principal

Jeremy Keever, SIC Chair
