Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Springfield Elementary School is committed to preparing every student to be college and career ready. Our students remain at the forefront of all of our decisions. During this school year, Mrs. Sharon Lagrone was selected as our teacher of the year and Mrs. Patty Nickles was named our support staff of the year.

We became part of Transform SC this school year. This has been an exciting new adventure as we begin to reshape teaching and learning. Our students have been engaged in many projects that have helped to bring their learning to life.

Our school embarked on a technology journey this past year. Students were allowed to bring their own devices and teachers focused on using technology in their classrooms to increase student engagement. We also had several iPad carts available for teacher check out in order to enhance their lessons in the classroom.

Professional development for our teachers continued in the areas of ELA, math, science, and technology. We continued to focus on the reading and writing workshop throughout the school year. Being an avid and successful reader is essential to the success of our students.

The goal of the faculty and staff of Springfield is for each student to reach their full potential. On a daily basis, we model for our students the importance of being a lifelong learner. We strive to foster a learning environment where all students can SHINE each and every day.
