REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Palmetto Bays Elementary School is located just off Highway 544 in the southwest section of the Carolina Forest Attendance Area in the Horry County School District.

We are the Home of the Timberwolves, our school mascot; and a place where "Students are Cherished and Challenged". At the conclusion of the 2013-2014 school year, Palmetto Bays will have completed twelve years of service to its community. Palmetto Bays is home to approximately 100 full and part time professional and support staff members who provide both general and special education services, Child Development classes, counseling, health, food, transportation services, and after school child-care to just over 600 students in Pre-School through Grade 5. Students at Palmetto Bays benefit from the skills and experience of an outstanding staff. On average, professional staff members at Palmetto Bays have been teaching for 20 years. We are truly blessed to have an excellent combination of staff with one to forty-one years of experience. The value of this is a rich mixture of experience, skills, training, energy and interests that combines to help us meet the needs and expectations of our students and their parents. In reference to education and training, 60% of our staff members hold Masters Degrees or above, four hold National Board Certification, and all engage in staff development activities each year which demonstrates a true commitment to our profession and a desire to excel. We are grateful that our district supports us in keeping our average student-teacher ratio at 23 to 1, and while we could always do better, we are proud that our average daily attendance rate is 96%. We are well aware that in order to be healthy, happy, productive citizens of the 21st century, we must strive for excellence in attendance, achievement, and attitude. To that end, building-wide, students and staff strive to achieve three worthy goals:

To be good citizens – treating everything and everyone with respect and responsibility

To be good students – focused on learning and growing

To be ever better ladies and gentlemen – treating others with kindness and care.

This past year Palmetto Bays earned a Grade of A with a 99.5% rating on our Annual Report Card. We were named a Palmetto Gold Award School for General Performance and a Palmetto Silver Award School for Closing the Achievement Gap Throughout the year our Parent-Teacher Organization and Community Partners help us provide a variety of extension and enrichment activities that support our annual learning and facility goals. During the year students can select from a number of extra-curricular offerings to challenge themselves and work with the school to build community. These activities include opportunities in the areas of broadcasting, technology including robotics, track, archery, music, drama, art, leadership, science, and community service.
