REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

With the close of the 2013-14 school year, Blaney Elementary completed its first year with a new administrative team. Blaney continues to have an award winning Archery team. The team finished second in the state competition and 26th in the national competition. Blaney started a Robotics team in 2014 and will begin competing during the 2014-15 school year. Blaney continues to offer students in grades 2-5 the opportunity to participate in running clubs to promote exercise and healthy lifestyles. Our guidance counselor provides our students the opportunity to give back to the community through a program called SERVICE QUEST. This year our students, parents and staff raised over \$5,000 for local charities and gave over 60 units of blood during the annual blood drive.

Our 2014 PASS scored showed academic progress but also a weakness in Math that will be addressed school wide in 2014-15. Blaney Elementary's extraordinary staff continues to benefit from staff development opportunities. Teachers participated in ELA, math science and social studies staff development. Our school teacher of the year, was an Honor Roll Teacher (Top 5) for District Teacher of the Year.

Our outstanding parent organizations, Blaney PTA and School Improvement Council (SIC), once again supported initiatives and provided leadership for continued school improvement. The PTA funded grants written by teachers for the classrooms. They also provided many needed materials for the school. The SIC continues to improve the playground and running track for our students. They also provide leadership and accountability to help BES meet its SACS plan of action. The members of these two organizations are integral to our success. Blaney Elementary is a special place for students and families- a place where students are challenged to achieve excellence and taught to help others.

We believe in our slogan, "Our Future's So Bright We Gotta Wear Shade".

Ed Yount, Principal

Julie Eastin, SIC Chair
