REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Here at Midway, we continue our vision by aggressively working to assure "Success for every student, every day!" We are proud to say that we have a great community of stakeholders who are also doing their part. Many wonderful events have taken place this school year, and we continue to strive to be the best we can possibly be. Our report card rating of "A" with a grade of 97.7 attests to the hard work that is exemplified by our dedicated staff.

We continue our monthly focus on lifeskills in an attempt to assist our students with their personal best behavior. Our district wide PBIS Program continues to assist us with increased time on task for our "bright bobcats." Student achievement continues to be one of our top priorities, as we set high expectations, not only for our students, but for our staff as well. In order for our continued growth, we have spent a considerable amount of our time this past year on professional development opportunities for all of our staff members. Our staff has participated in over 200 days of professional development.

Our grant writing team was successful in writing and being awarded a state funded "At Risk Grant," totaling over \$270,000. We began implementing our PAWS Afterschool program in February, which was held on Tuesday, Wednesdays, and Thursdays after school for 50 of our 3rd-5th grade students. Students also enjoyed an extended program that continued through the first three weeks of June. The grant program will continue for the next two years.

With the support of one of our community partners, Fort Jackson, our new playground equipment was installed in March and made available for students to enjoy. We enjoyed our second annual Juniors Rodeo, hosting contestants from all over South Carolina and North Carolina. The 90th year celebration was culminated with the burying of a time capsule, which will be dug up at the 100th year celebration in 10 years.

Midway has grown to over 400 students, which includes our ½ day 4k student body. We have accomplished much this year and will continue to reach for the stars! Our students deserve nothing but the best that we have to offer. Many thanks to our parents and to the business community for your continued support! Together we can do great things!
