Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Blenheim Elementary Middle School is located at the center of the town of Blenheim, SC and houses grades Pre-K through 5th, 7th and 8th. Our first full year in the new "State of the Art" facility was a success! We continued to implement a rigorous core curriculum which included instruction in Mathematics, Science, Social Studies, and Language Arts. The Read 180 Initiative was implemented this year for grades 5 – 8 and provided strategies to help improve achievement in ELA. Our 8th grade Algebra I and English I students became the first in the district to participate in the South Carolina Virtual Schools Program. Physical Education, Character Education, Music and Visual Arts helped to develop the social and intellectual skills of our students.

Blenheim staff worked hard to prepare students for the PASS exam and end of course testing. Benchmark testing was used to identify areas of weakness so that strategies could be put in place to help students master the needed skills. Year-round professional development was provided to all staff members at the district and school level.

This year saw our students receive numerous awards in community, county, and state contests. Individual achievement was acknowledged through participation in Media Literacy, Academic Challenge, and Science Fairs. Students participated in the Accelerated Reading Program and received awards for highest points earned. We continued our male mentoring program, B.O.W. Tie, which brought pride to our 7th grade students.

Our parents participated in decision making through active involvement in the revision of our Strategic Plan, Title I Plan, School Improvement Council, and other parent involvement programs. Progress on our students was communicated through report cards and parent conferences. We are proud of the cooperation and collaboration that exist among all stakeholders who worked together to provide our students with a challenging and academic experience.

Mr. Parnell Miles, Principal
Covington, SIC Chairperson

Ms. Tiffany
