EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	44	64	26
Percent satisfied with learning environment	93.2%	78.1%	92.3%
Percent satisfied with social and physical environment	95.4%	88.0%	80.8%
Percent satisfied with school-home relations	74.4%	88.1%	76.9%

*Only students at the highest elementary school grade level at this school and their parents were included.

Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Forest Heights Elementary continued to provide opportunities for academic achievement for students while promoting a positive environment during the 2013-14 school year. The combined efforts of students, staff and community resulted in a Palmetto Gold Award from the SC Department of Education.

Forest Heights Elementary School (FHES) teachers worked diligently to use appropriate instructional strategies to improve learning. Title I supported professional development in the areas of Mathematics and ELA was very beneficial. FHES continued to use the Empowering Writers format to strengthen our students' writing skills. Professional Development on the proper utilization of technology was facilitated by the Instructional Technology Support consultant.

We continued the implementation of the Morning Math Program to foster mathematical thinking in our students. Students worked through appropriate math problems using previously taught strategies. Once students solved the problem, written justification of the answer had to be given. Approaching math in such a manner helped to build student perseverance, confidence and conscientiousness. Our reading teachers utilized the Fountas and Pinell Leveled Literacy Intervention program to help raise reading levels.

Title I support was also used to sponsor curriculum sessions for parents, grandparents and other stakeholders. Events such as Books and Breakfast, Books and Supper, Math Night, Dinner for Dads and Moms Love Literacy allowed staff to present instructional strategies to the parents, practice the strategy with the parent before having the student join the parent to work on the topic at hand. This format allowed parents to become familiar with the task, build knowledge of the skill and utilize the skill with the student in a supportive environment.

Forest Heights Elementary was proud to open our new outdoor classroom this school year. The outdoor classroom was a result of our participation in the Nature Based Inquiry Grant via the University of South Carolina. Community businesses and university students worked together to help complete our nature trail.

It is our goal to continue to collaborate with the community to create the best possible educational environment. We appreciate the support that we have received from students, parents and stakeholders.

Dr. F. Robinson, Principal
