REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

York Intermediate School serves fifth and sixth grade students in York School District One. Our mission statement is, "Working with the community, we will provide a diverse, innovative education in a safe environment enabling students to become responsible citizens in a global society."

Our number one priority is to improve student achievement. In order to meet the needs of our students we focus on our 4 district goals: Data driven decision making, Promoting literacy in all content areas, Extra time and extra help for all students, and Increase use of technology.

We are proud of the many achievements and successes that our school has received. Our school has received the Palmetto Silver or Gold Award every year based on significant gains in student achievement and closing the achievement gap. Our students have achieved success in a variety of extra-curricular activities such as Girls on Track, Band and Chorus performances, Step Team, Spelling Bee Winners, and Art Club. Our students were also involved in various service projects such as our local P.A.T.H. canned food drive, Pennies for Patients, Hoops for Heart, and Relay for Life.

This year our school was selected to partner with Winthrop University through a NetScope grant which reinforces best practices of teaching through professional development. This partnership allows our teachers the opportunity to work "hands on" in the classroom with Winthrop interns and receive ongoing professional development. We are excited about this opportunity and believe this collaboration will benefit our students.

Thanks to a hard working faculty and staff, enthusiastic learners, and a dedicated community, York Intermediate School continues to Spark Potential and Inspire Success!
