Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Kinard Elementary School is located in the heart of Clover, SC serving approximately 340 students from Pre-Kindergarten to fifth grade. Kinard is committed to providing a positive educational program that encourages academic success and personal growth for each student.

The academic program at Kinard provides each child with instruction appropriate to their individual needs.

Grade level field trips provide experiences for students to make connections beyond the classroom.

Additionally, teachers remain current by participating in professional development opportunities within the district and state which support the SC Common Core standards. These opportunities further enable teachers to deliver cutting edge educational strategies to our students.

Kinard continues to provide leadership opportunities to students through The Leader in Me model which is built on the fundamental skills found in Dr. Stephen Covey's best-selling book, The 7 Habits of Highly Effective People. Students have taken ownership of their learning through the year-long process of maintaining Leadership Notebooks and holding student-led conferences. Leadership assemblies showcase how students have demonstrated the 7 Habits in their everyday school life.

Regularly scheduled parent involvement events allow parents to participate in learning experiences alongside their child. Fall Festival, Santa's Workshop, Veteran's Day Celebrations, Leadership Day, and Fine Arts Festival are a few annual events our parents and community enjoy. PTO sponsored events involving local restaurants prove to be family-centered as well.

Kinard is committed to continuous improvement. We recognize that building relationships and immersing ourselves into our school community assists students in building an important bridge between home and school.

Partnerships with local businesses and civic organizations continue to enhance our instructional day. Our ongoing goal is to provide meaningful, educational experiences that shape our students' vision for their future.
