Report of Principal and School

Silver Bluff High School has been awarded a Palmetto Gold Award for Student Achievement by the South Carolina Department of Education for the 2012-2013 school year. This success is due to the perseverance of our students and the instructional strategies utilized by our highly qualified teachers. Our parents and community should be proud of the achievements of our school. The faculty, staff and administration of Silver Bluff have high expectations for our students and always look for excellence in the classroom. The development of rigorous instructional programs using the Common Core State Standards led Silver Bluff to have the highest first time pass rate on the HSAP in the district. Our first time pass rate of 90% was even higher than the state average. Communication with parents has continued to improve by the use of newsletters, automated calling system, school marquee, school website and the introduction of social media. Our school has made great strides in providing Facebook and Twitter to our community.

We provide our students with the opportunity to be well-rounded by participating in extra-curricular activities. Silver Bluff High School has a rich tradition of excelling and building positive relationships. Our varsity football, varsity volleyball and varsity softball teams advanced to become Region 5-AA Champions. The varsity football team went on to receive the Lower State Title and to play for the State Championship Title. This was a feat not accomplished since 2001. The NJROTC unit received an "outstanding" rating during the Annual Inspection for the 15th year in a row! The Silver Spirit Band qualified for the SCBDA 2A State Finals. The Band received the Outstanding Performance Award, the highest award given to a band program by SCBDA. SBHS seniors were awarded more than \$4 million in scholarships to colleges/universities. We strive to meet and exceed the goals we have set for this next school year, and we extend an open invitation to our parents and community to come out and support our SBHS Bulldogs in all endeavors.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	87.6
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Silver Bluff High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
