Report of Principal and School

Providing a challenging, caring and educationally-conducive learning environment, Greg Mathis Charter High School offers excellent growth opportunities for a diverse student population. The goals are to provide the necessary learning surroundings that enable students to become competent, self-sufficient, self-disciplined, and responsible citizens. We consistently and constantly promote parent and community involvement, ever mindful that our parents are our greatest advocates and our community is our greatest resource, relevant to real-life, and seeks to educate the “whole” student by providing a foundation for critical thinking, problem solving, and effective communication skills.

Greg Mathis Charter High School implements a school-wide enhancement program, targeting all students, especially in the CORE subjects. We vigorously prepare students for HSAP and EOC tests, offering highest-needs student tutorial services during the mornings, afternoons and evenings. Students additionally receive computer-assisted tutoring, using Study Island, SRA, WizIQ and Edgenuity programs. Recently developed is our “Saturday Enrichment Program” for all students who need or want tutorial assistance and/or opportunities to make up class work or projects due to missed classes or absenteeism. Teachers monitor these sessions, providing individualized instruction and assistance.

Since improvement in academic instruction is at the forefront of Greg Mathis Charter High School, we target professional development, identified via formal and informal evaluations, observations, student performance data and teacher feedback.

GMCHS is doing exactly what the mission states. We are working with students who have not been successful in the regular school setting, are struggling to complete their education and want a second chance/fresh start to earn a diploma. While we are cognizant of the importance of grades, we also seek to leverage absolute performance with the growth and progress students make. We see the commitment and desire to do well among all students once they enter the school and realize that GMCHS has a no-nonsense, zero tolerance for violence, straightforward, caring school family. This was exemplified with the eighteen students who graduated with diplomas, the WorkKeys results (1 Platinum, 1 Silver, and 4 Bronze), 1 perfect score on EOC, and many other accomplishments.

We remain steadfast and committed to every young adult and will continue serving all students with the high-quality education they need and rightly deserve.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	33.0
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Greg Mathis Charter High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
X	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
