Report of Principal and School

2013-2014 was a year of continued growth for the Early College High School division where our goal is to prepare every student to be college, career and life ready. 100% of the graduates in our inaugural class were accepted to two and four year colleges and universities qualifying them for a \$1,000 Legacy funded scholarship renewable every year they are in college. Once again, as part of our dual-credit agreement with Greenville Technical College, students were encouraged to take college courses (tuition free) and this year, 21 students took them with a 90% success rate. Students also worked hard to make gains on End Of Course exams including a 17% improvement in US History. New programs like Transitional Coaches provided every 12th grade student with individualized assistance consistent with our college bound mission of providing wrap-around services for success. Students also excelled in athletics, especially our Boys' National Basketball Team, completing a 40+ game season with victories across the Carolinas and Georgia. Our weekly professional development program for instruction was magnified via our leadership team's participation in the TAP National Conference in California. The Early College High School division continues to put student achievement at the forefront of every decision made to provide customized learning programs that help all students reach their fullest potential.

Ed Roman, Early College High School Principal

Legacy Charter Middle School has also seen exceptional growth this year. Enrollment increased throughout the year and our students achieved much success. We had over 40 students take high school courses and receive credit. We had an 84% passage rate on the English 1 EOC and 85% on the Algebra 1 EOC. The use of our Project Class discipline model improved our culture and overall school climate. The second year of the Teacher Advancement Program (TAP) created a sense of community and professionalism amongst our faculty and staff. We implemented Math and ELA intervention classes for each of our students to provide extra assistance or acceleration. We continued to provide an individualized education to each child and build partnerships with our parents. Our goal is to prepare students for high school and college and we are doing that every day. Our school is growing and improving each day because of the hard work and dedication of many.

Frank Powell, Middle School Principal

Legacy Charter Elementary School continued to blossom this year! Our students stepped up to take ownership of their school and their education. Elementary students could be seen daily working in: Percussion or String Ensembles, Honors Choir, Safety Patrol, Post Office, School Store, Student Council, FitKids Club, and much more! Students worked hard in order to earn their Gold Honor Polos every nine weeks for having straight A's and thus acknowledging their dedication to remain College Bound. Students in all grade levels had the opportunities for multiple Field Experiences to extend daily lessons. PASS Preparation Academy on Saturdays, Summer Intercession Program, and Lion's College Club Afterschool Experiences guided our students to make those personal connections to lessons learned in the classrooms. Our children are learning every day! Our pledge to our parents and our community is to provide a positive learning environment that allows ALL children to achieve and reach their greatest college-bound potential.

Virginia Burrows, Elementary School Principal

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	58.5
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Legacy Charter School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
