Report of Principal and School

Wade Hampton High School continues to provide excellent educational opportunities to all students. Along with achieving an Excellent School Report Card Rating and receiving Double Palmetto Gold Award, the graduates of 2013 received over \$3 million in college scholarships. 4-year graduation rate reached an all-time high along with continued improvements in end of course test scores. In addition, 20% of our students were eligible for Life Scholarship.

The Marching Red Guardsmen have experienced a longstanding tradition of excellence and play an important role in the arts and music community of Hampton County and the surrounding areas. The Bands consist of marching, concert, jazz, and pep band. Some of the bands’s many accomplishments include: the marching band has earned 14 1st place awards in the past 5 years including 3 in the fall of 2013, as well as numerous caption awards including Best Colorguard, Best Drumline, Best Drum Major, and High Music. Students were selected to the 2013 Region 4 Honor bands as well as students selected for the Edisto Conference Honor Band.

NJROTC received the distinguished unit award and rated number one unit in the state of South Carolina. The rifle, academic, orienteering and drill team competed and placed in several competitions this past year.

Wade Hampton High School has a number of opportunities for students interested in technology or a career in the health occupation field. The DevilBots robotics team, as well as the Health Science nursing students took part in several different competitions.

Our Red Devil football team had another good season, going all the way to the second round of the playoffs. The boys cross country team won their region and competed in the state meet. Boy’s and Girls’ Soccer and Boy’s and Girls track team also won their region championships, along with Cross Country. The baseball team won their district and fell one game short of competing for a state AA championship.

This was another successful year for Jobs for South Carolina Graduates, a program designed to help high risk students in danger of failing high school. The JAG students came in first in several competitions at the state conference and a number of students went to Washington, D.C. for the national conference.

2013 was the year Wade Hampton High School was awarded a record number of grants. Wade Hampton became the first high school in SC with a certified Teen FAST (Families And Schools Together) program. With this 21st Century Grant, we can offer after school tutoring at Wade Hampton. The Raise the Bar program allowed students to get the extra help they needed before and after school. Raise the Bar offered extra-curricular activities, like Gospel Choir, Step Team, Drama, Journalism, and computer classes for students. This grant will enable the high school teachers to continue teaching literacy across the curriculum in all courses.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	79.0
Overall Grade Conversion	C

80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
