The administration, faculty and staff members at Ridgeland- Hardeeville High School are enthusiastic, conscientious, and determined to help our students enhance their ability to succeed in a globally competitive world.

This year we were the recipient of the Palmetto Gold Award for our Excellent Growth Rate! We are pleased to report that that our EOC average, our graduation rate and our HSAP passage rate increased. We are diligently trying to obtain our academic goals by continuing the following initiatives: Dual Credit Courses at Technical College of the Low Country (TCL) and University of South Carolina-Beaufort, quarterly student recognition programs, 4X4 block schedule, grade- level parent nights, credit recovery lab, HSAP and EOC tutorial sessions during and after school, AVID elective, Upward Bound and Talent Search through TCL, to name a few. Additionally, our staff has participated in several professional developments. These included AVID strategies, Literacy Workshop, Formative Assessment, Common Core State Standards, and Data Analysis. These focused efforts supported the success of our students, which made progress towards closing the achievement gap.

Our 2013-2014 graduating class were awarded almost \$2 million in scholarships. Forty-one of our students qualified for the LIFE Scholarship. One student received the ROTC scholarship. several athletes signed on to play sports at various colleges and universities.

In addition to our academic successes, Ridgeland- Hardeeville High School student athletes had a competitive season. Our varsity boys basketball team won the Region 6-AA championship and several track athletes made it to the State play offs.

Ridgeland- Hardeeville High School represents a stepping stone of the many instructional gateways our students will surpass towards their career aspirations. We recognize the students’ diverse abilities, interests, and talents. **ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>68.5</b>
<b>Overall Grade Conversion</b>	<b>D</b>
