## Report of Principal and School

Eau Claire High School has experienced a productive and exciting school year! Our goals for the 2013-2014 continues to surround our four focus goals of passing the EOC with an 85% or higher, pass the HSAP the first time with proficient or advance, take the ACT/SAT the junior year and Graduate on time with 3.0 GPA or better.

Additionally, we will focus on improving the graduation rate, attendance rate, and retention rates at each grade level. Our theme will remain; "Committed to getting it right!" With the commitment of the faculty, staff, students, parents, and community we will work toward constant improvement in all areas. We are working together supporting a vision that "Eau Claire will provide quality instruction for every student, every day".

Eau Claire High School offers a comprehensive curriculum designed to meet the needs of students seeking post-graduation degrees from two or four year colleges/universities, a military career or entrance into the work force. Our curriculum offers Advanced Placement (AP) and College Prep (CP) courses as well as Honors and Career and Technology Education or CATE courses. As a High School That Works (HSTW) site, the school continues to focus on the HSTW ten key practices. The school continues to provide opportunities for increased teacher, staff and student capacity. Staff development and academic workshops are conducted to assist teachers and support staff in the delivery of HSTW continuous improvement model, classroom instruction, and other student services. Each activity is data-driven and based on student needs.

Tutorial sessions are available afterschool for every student. In addition, our afterschool programs offer students' academic assistance in all their course work. Student athletes are also given an opportunity to maintain their academic standing in the before and after school sessions. Opportunity to recover credit is also available to our students. Mini-student body data presentations are conducted to increase student awareness of the school's academic performance, establish school-wide goals and increase student involvement in building policy. With student-centered learning as a top priority, the school continues to see evidence of students' academic success. The establishment of Recognition and Appreciation Day, Quarterly Honors and Awards Programs, Character Counts and other initiatives, have all increased student awareness of the importance of good grades and good character and have led to improved student academic performance and numerous academic awards. In addition to academic success, our athletics program continues to thrive; producing state level competitors in track and wrestling. Our Fine Arts Department and other co-curriculum areas continue to be recognized for outstanding performances and presentations. Our very active School Improvement Council (SIC), PTSO and booster clubs continue to provide vital support for Eau Claire High. These organizations are very active and constantly help to meet the needs of the school.

In 2012 – 2013 Eau Claire High School had seventeen students who were recognized as Richland One Academic All-Stars, thirty students were recognized as honor graduates, three Art Scholars and one Palmetto Fellow.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>54.6</b>
<b>Overall Grade Conversion</b>	<b>F</b>

90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
