Report of Principal and School

Celebrating four decades of excellence, Northwestern prides itself in providing opportunities for all students to be successful academically, artistically, and athletically.

Northwestern faculty and staff provide world class instruction to a diverse group of young adults. Their overall dedication to their profession earned the staff acclaim noted by three finalist for and two fellow colleagues being named as South Carolina's State Teachers of the Year. Our school site program of studies offerings like CATE, Honors, Advanced Placement, International Baccalaureate, and Project Lead the Way gained school wide award and recognition. Accredited by Southern Association of Colleges and Schools and the High School That Works Technical Assistance Visit team, Northwestern has been annually recognized as a Palmetto Gold and/or Silver Award recipient for academic excellence. Our student's talents are often showcased with state honors being recognized. In the 2014 graduating class, thirty two seniors graduated with Highest Honors, twenty-eight graduated with Honors, twenty-three completed the academic and extracurricular requirements for the International Baccalaureate Diploma, thirty-three took three or more Advanced Placement Exams, four graduated as an Advanced Placement Scholar, one hundred thirteen were awarded a Gold Seal diploma, sixty seven were recognized as CATE completers, seventeen were awarded the SC Academic Achievement Honors Diploma, and twenty four were recognized as Palmetto Fellows. The combined monetary value of all scholarships awarded to the Class of 2014 exceeded \$12.2 Million.

Northwestern's performing and visual arts program produced many Allstate performers. Our students exhibited artwork in local and state competitions with many pieces receiving top honors. Our schools orchestra program gained state and regional recognition by scoring superior rating on the highest level of performed music in the SC Music Educators Association competition. The choral students entertained our community with a winter holiday and spring concerts, along with other many requested community events. Our theater department preformed multiple shows for the school and community as well. The Purple Regiment Marching Band advanced through state and regional competitions, and finished in sixth place for the 2013 marching season, which helped our total band program secure The Outstanding Performance Award given by the SC Band Director's Association for the 24th consecutive year.

As a result of the competitive spirit of our student/athletes and twenty Varsity teams, Northwestern continues to perform well in the SCHSL Director's Cup competition which recognizes the classifications most competitive athletic programs. Over ninety percent of our varsity teams were successful in gaining a birth in post season play. Northwestern finished the school year with five region championships (football, softball, baseball, and boys and girls track), state runner up in baseball and state champions in football and boy's track. The SC High School League recognized and awarded Northwestern athletes and coaches, a state leading seventy Scholar athletic certificates, seventy-two All Region athlete awards, five Region Coaches of the Year awards, thirty All State Athlete certificates and medallions, six North All Star athlete selections, two Shrine Bowler, and eleven Individual State Champion Athlete award. Twenty four seniors in this year's graduating class have been offered athletic scholarships to compete at the collegiate level.

It is Northwestern's mission to provide the greatest educational experience for its students, staff, and community.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	87.3
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Northwestern High has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
