**Report of Principal and School**

Fort Mill High School continued our tradition of excellence during the 2013-2014 school year. We Are...Fort Mill is a slogan for all Fort Mill High School students and graduates that personifies our rich heritage. Fort Mill High School is committed to providing a high level of academic rigor and expectations to a student body and community with a high value for education. New standards in English and math continue to drive our efforts to provide meaningful instruction to all students.

The Class of 2014 had 419 graduates and continued our legacy of strong graduating classes. 88% of our graduates will attend two or four year post-secondary institutions. We are equally proud of our students entering the military and the workforce. 314 of our graduates were awarded Palmetto Fellows, Life, or Hope scholarships for college from the state. 284 graduates earned the SC Diploma of Distinction. The Class of 2014 also was offered over \$10.3 million in scholarships.

Fort Mill High School faculty continues to integrate technology into instructional methods to engage students in new, exciting ways. Google Chrome Books and Apple iPads have allowed students more access to technology at our school. We are proud of our Teacher of the Year Ms. Bynum and her energy for students at our school.

Academically, our students continued to perform above state and national averages on all assessments. Refer to the charts in the Report Card to gauge our success. HSAP, EOC, AP, SAT, ACT, and Graduation Rate continue to be in the Top Ten in the state and competitive with the best comprehensive high schools in America.

Our school culture is maintained by a student body intent on having a positive school experience. Clubs, athletics, band, and service opportunities enhance our school culture. The FMHS Marching Band made the finals of the BOA Super Regional in Atlanta in the fall, while the concert band performed flawlessly at festivals. The Arts are an important part of our approach to students. For the second year a Visual Art student won the Congressional Art Show and more students participated in AP Art than ever before. Our Chorus, Drama, and Dance students combined to provide quality entertainment with two major shows during the year. Finally, our athletic teams performed at a high level with 8 region championship teams, and several teams ranked in the Top 5 at the end of the season. Our Boys Lacrosse team won the state title and Senior Mitch Russell was named Gatorade Player of the Year for the third straight year and was an All-American.

We are excited about the additions and renovations that will expand our campus. These improvements will have a profound impact on our school over the many years to come. Our faculty, staff, and administration are excited about the future and the opportunities for learning for our students.

Mr. M. Dee Christopher – Principal

Ms. Lisa Lundy – SIC Chairperson

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>96.3</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Fort Mill High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
