**REPORT OF PRINCIPAL AND SCHOOL  
IMPROVEMENT COUNCIL**

Washington Center, located in Greenville, South Carolina, is a public school serving approximately 146 students who have documented severe to profound intellectual disabilities. Many of these students also have serious medical conditions, as well as sensory and motoric challenges. Placement at Washington Center is based on IEP (Individualized Education Program) team recommendation, and students are transported from all across Greenville County on specialized buses. Qualifying pre-school children, ages three through seven, participate in Washington Center's early childhood program housed at an alternate location, Washington Center @ Hollis.

Washington Center's primary facility, completed in 2005, has eighteen self-contained classrooms, a multisensory suite, a multi-purpose gym and a media center, in addition to art, music, environmental science and daily living classrooms. Also available on the main campus are a greenhouse, an instructional kitchen and a speech lab. Washington Center @ Hollis has been specifically designed and equipped to meet the needs of preschool children. There are six classrooms, a multi-sensory suite, and a therapy area. Additionally, at both sites, nursing and speech language, occupational and physical therapies are provided, as are itinerant vision, O&M (orientation & mobility) and hearing services. Modern handicapped accessible playgrounds are available at the main campus and at Washington Center @ Hollis.

Academic instruction is aligned with SC standards, and students at designated grades are evaluated using the state's alternate assessment. In 2013-2014 teachers introduced the "Unique" curriculum which currently guides instruction. Unique lessons are supported by programs such as Mobility Opportunities via Education (M.O.V.E.) and adaptive environmental science and daily living skills. Additionally, augmentative communication and assistive technology are regularly incorporated into instruction, and classrooms are equipped with touch screen computers and interactive white boards.

Washington Center students participate in Special Olympics and Challenge Day on local university campuses, as well as numerous special events at school and elsewhere. Dog therapy is provided monthly; and, students have frequent opportunities to interact with nondisabled peers as a result of partnerships with local elementary, middle and high schools. Students 13 and up have regular off campus community based instruction, and high school students operate a weekly restaurant, "Seagull Grill", where they prepare lunch or breakfast to sell to the staff.

Communication with stakeholders is considered to be a priority at Washington Center. Parents receive frequent updates from teachers and administrators via newsletters, emails and personal notes; and, the school maintains a Facebook page and a YouTube account. Additionally, an annual "Report to Parents" and a quarterly newsletter, "The Seagull Express", which is also translated into Spanish, are published. A regular Friday afternoon telephone message from the principal summarizes the week's activities and previews upcoming events.

Business partnerships are essential to the Washington Center program in terms of both donations and volunteer hours. PTA and SIC members engage in fundraising and
