REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Lee Central High School is striving to excel in all aspects of the school program. We proudly support our school motto, "The Pursuit for Academic Excellence Has No End-We Are Destined for Success". Lee Central is proud of its accomplishments and successes.

The graduating Class of 2014 received over 2.6 million dollars in scholarship offers with a record-breaking 32 seniors earning LIFE scholarships. One senior received 30 college credits, and 15 students qualified for 15 college credit hours through Central Carolina College as a part of the Lee Central High School Middle College Program. Four students scored 1000+ on the SAT. Two LCHS young women were selected to serve as delegates to the prestigious Palmetto Girls State at Presbyterian College, while two young men will represent our district at the Palmetto Boys State. Twenty-five of our students distinguished themselves with awards through the Columbia Urban League. Academically, 25 Lee Central High School students earned recognition as USC Sumter scholars.

As a part of the High Schools That Work initiative, Lee Central implemented a comprehensive system of extra help for students. All teachers tutored students at least once a week. Utilization of the APEX/Edgenuity Learning programs led to course mastery, as well as credit recovery due to attendance issues. Targeted at-risk students were given academic intervention with the early bird, academic focus, and Saturday academy programs. In addition, our school can tout of outstanding gains in Algebra I and Biology I EOC scores. Of exceptional note is the overall 20% increase in our HSAP first attempt scores for the 2013-2014 school year.

As a part of our commitment to the academic success of our students, one-on-one individual growth plan conferences were held in reference to each student's learning plans.

Lee Central High School continues to enjoy outstanding success in extra-curricular activities. The Beta Club and National Honor Society conducted several community service projects including Stallion Toys for Tots, a canned food drive, and two blood drives. The two organizations also registered an unprecedented 100 new voters in a school-wide voter's registration drive. The LCHS JROTC completed the opening ceremony for the State Superintendent of Education this year and participated in the Veteran's Day Program. One of our senior football players was named the WLTX Player of the Year. Teachers and students performed in a school dessert theatre, which entertained local community members.

We recognize that all our stakeholders are key components to the success of Lee Central High School. Parents, community members, ministerial and business partners all participate in the PTO, School Improvement Council, and various booster clubs. The Guidance Department, Curriculum Leadership Team, and administrators coordinate several programs to ensure the continuous success of school. Grade level parent information sessions, open house, and financial aid workshops-all of which led to increased parental involvement- are a few of the programs initiated by the teams listed above.
