**REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL**

Richland Northeast High School's administration and School Improvement Council are pleased to announce that a year of cooperative efforts has produced real results, keeping Northeast and our students moving in The Right Direction. In 2013, Northeast's School Improvement Council became the first two-time winner of the Dick and Tunky Riley Award for School Improvement Council Excellence, recognizing the strong bond that exists in The Cavalier Family.

A highlight of our work this year is the first graduating class in our International Baccalaureate Diploma Programme. The IB Middle Years Programme received authorization, completing the full lineup of IB offerings at RNE.

RNE's already successful lineup of Career and Technology Education programs were enhanced with the addition of culinary arts and health sciences. Our business education and entrepreneurship programs are proud to partner with SAFE Federal Credit Union in operating an on-campus branch.

In terms of parent, community and school partnership, the RNE SIC continued its dialog with the community, school board members and other stakeholders which is helping maintain a well-balanced student population, demographically, economically and academically. The faculty is actively involved in efforts to ensure the academic success of all students, emphasizing improving the graduation rate and reducing achievement gap. The RNE SIC and Administration will continue to monitor student diversity each year as RNE attracts students from across the district with its International Baccalaureate Programme status. Further, the RNE SIC is continuing to work with the district on a three-year facilities upgrade plan.

With the help of the SIC, the school's re-branding initiative to improve RNE's reputation and standing within the district and community is under way. The SIC partners with Ginger Bates, a marketing professional and RNE parent, in the aggressive marketing campaign to improve the public perception of RNE. Billboards have been purchased around the community highlighting RNE's IB status as well as celebrating achievements, such as the Model United Nations Team's 25th national title.

Also, a television commercial campaign on WLTX featured RNE public service announcements produced by students in the Convergence Media magnet program. Communication efforts have been enhanced with the addition of a blog. SIC members and staff are checking to ensure online school reference sites correctly report information about RNE. A new student group – The Cavalier Ambassadors – have been specifically trained to host guests at our school and to represent RNE in the community.

The second annual RNE Spring Festival took place in April. The event showcased performances by RNE student groups and those of the elementary and middle schools that are part of the RNE neighborhood. There were child-friendly activities such as bounce houses and face painting and athletic contests featuring RNE's Spring Sports teams. The event generated a positive association of RNE within the local community.
