REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Dorman High School and the Dorman Freshman Campus are dedicated to preparing all students for their future in a safe, challenging, nurturing, and positive learning environment. We also strive to provide all students with first class opportunities in fine arts, athletics, clubs, intramurals, and community service. Our goal is to provide an opportunity for every student to be actively involved outside of the classroom and we believe that will help them to be more successful.

Dorman High School and Dorman Freshman Campus are pleased to report that 763 Cavaliers graduated this year. The 2014 seniors earned \$17,046,497 in scholarships for college. Our seniors have been well prepared for their future, and we are excited to see the positive impact they will have on our community as 85.6% will be attending college and 3.1% choosing a military career. Our students are fortunate to be in a school with dedicated, talented, caring, and professional teachers. We are also very fortunate to have a very supportive, dedicated, student centered, and active superintendent, district office staff, and board of trustees. Every decision made at Dorman and in Spartanburg School District Six is focused on the safety, education, and development of our students as we prepare them for their future.

Spartanburg School District Six developed schools of study at Dorman to systematically organize both core courses and elective courses in order to help students select clusters of study and majors. Rigorous academic courses required for high school graduation, as well as relevant career related courses, and extended learning opportunities will prepare students to be successful in post-secondary education and the workplace of the 21st century. Dorman High School offers five schools of study: 1) School of Arts, Humanities, and Communication, 2) School of Business Management and Information Systems, 3) School of Engineering, Manufacturing, and Industrial Technology, 4) School of Law and Public Service, and 5) School of Medicine.

Students and staff at our schools have many opportunities to have a positive impact on our community. We have supported 32 community organizations this year that reach out to help people in need throughout our community. As we prepare our students for their future in the areas of academics, fine arts, and athletics, we also stress to them the importance of character, community service, and helping others.
