Report of Principal and School Improvement Council

The direction of New Ellenton Middle School is to provide a safe, nurturing, learning environment where individual needs, differences, and abilities of students are recognized. Students are challenged to excel in a global society with the support of parents, highly-qualified professional educators, support staff, and the community.

New Ellenton Middle School will be a school of academic excellence that fosters academic achievement through innovative teaching practices, which will include the infusion of Science, Technology, Engineering and Math (STEM) curricula, strong community relations through the collaboration of all stakeholders, and the ongoing development of well-rounded, productive citizens. We provide a rigorous academic curriculum and additional support to meet the needs of our students. Extended learning time in reading, writing, and mathematics is essential to excelling in a global society.

New Ellenton Middle School is committed to continuous improvement and working towards raising academic achievement. We have implemented components of Making Middle Grades Work to maintain a culture of high expectations, to sustain continuous improvement, and to promote high school readiness. We have included math and ELA enrichment classes in our master schedule to offer time for one-on-one and small group remediation. Other interventions offered during the school day to help students improve academically were Compass Learning Labs, Accommodations Lab, and Beta Buddies Peer tutoring.

We are proud of the hard work, effort, and dedication put forth by our students, faculty, and staff at New Ellenton Middle School. We were awarded the Palmetto Silver Award for student achievement, and recognized as a National Beta School of Distinction for substantially increasing the percentage of Beta Club Students. The school also has a talented and dedicated staff, including four National Board Certified teachers. Teachers secured several grants to enhance the instructional program, as well as tutored students before and after school. Our Algebra I instructor had passing rate of 100% on the state End of Course Exam (EOC); and our English I instructor had a passing rate of 96% on the EOC. In addition to having a high-qualified staff, our students have also excelled in academic and extracurricular opportunities. The male 6th grade G/T Stock Market Team placed second in the state. Students participated in the Aiken County Academic Team Competitions, Future City Competition, Spelling Bee, Junior Scholar Program, and the USCA Concert Festival, in which the Concert Band received an excellent rating.

New Ellenton Middle School rises to the challenges of a small community school by developing and maintaining a strong connection with our parents, community organizations, and businesses to help our students reach their goals and achieve at high levels. In order to effectively meet the needs of our students, we continuously strive to provide educationally sound experiences. We embrace meeting our challenges by providing highly qualified teachers, offering research-based professional development opportunities, delivering a standards-based curriculum, and creating relationships with our students.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	83.7
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
