Report of Principal and School Improvement Council

We have achieved another great school year with highly qualified faculty and staff and wonderful students! We continued operating a 5th-8th grade configuration (for the second year) and look forward to becoming a PreK-8th school for the 2014-2015 school year as Robert Smalls International Academy.

Through much hard work and our dedicated teachers, we have seen great academic successes. We have seen our student body become increasingly technologically advanced as this was our second year with 1:1 technology (iPads). We will be moving to a Windows driven tablet for grades 6-8 and continue iPads for grades 3-5. We are proud to share that we have twelve SC Junior Scholars this year! That is an increase from our four last school year. We had 35 students participate in the River of Words Project and DAR District Essay winners in 5th and 8th grade. We are particularly proud of the fact that our Winter MAP scores showed gains in ALL grade levels in both reading and math.

Robert Smalls also showed strength in athletics. Our Boys' Basketball Team placed second in the Middle School Conference, while our Girls' Track Team was Conference Champions.

In addition to achieving goals in academics and athletics, we worked hard to instill a sense of community in our students. We held food drives for HELP of Beaufort, collected money for Pennies for Patients (St. Jude's Hospital), and participated in Hoops for Heart for the American Heart Association. Many community members helped continue our success with our Reading Buddy Program. We were also able to partner with our local Buffalo Wild Wings. This partnership brought business to them, but more importantly, we were able to help fund three Family Literacy Nights. Each Literacy Night was a huge success.

We are so very grateful for our parents and community members. Our continued position of Parent Outreach Coordinator will provide you with ample opportunities to be involved in our school. Robert Smalls School's doors are open. Our success at Robert Smalls is greatly dependent on your participation in our school. Please continue to find the time to contribute to the learning that is taking place at our great school.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	75.9
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Robert Smalls Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
