## Report of Principal and School Improvement Council

Berkeley Middle School (BMS) provides academic and extracurricular opportunities for approximately 1068 students; the school draws from a richly diverse community. Faculty and staff at BMS work together in pursuit of the district's vision to challenge and empower students to be successful in a highly competitive world.

Over the course of the past year, approximately one-third of the eighth-grade class strengthened their foundation for college-preparatory high-school courses through their enrollment in a variety of high-school credit courses, including Algebra I, English 1, Spanish 1, Keyboarding, and Computer Applications. The Junior Scholar Program at Berkeley also identified 21 BMS students this year and inspired the implementation of a SAT/ACT preparation exploratory course for next year to better serve the needs of the college-bound seventh-graders and eighth-graders at BMS.

Community partnerships with Santee Cooper and Berkeley Electric Cooperative also enriched community relationships as the school expanded programs such as Lunch Buddies, which affords students and business leaders multiple opportunities to communicate, grow, and understand through shared reading and conversation around the cafeteria lunch table. To further students' involvement in the community, the Junior Beta Club contributed over 500 hours of community service in its first full year of reinstatement. Students were able to serve their community at events such as the Special Olympics and Relay for Life while maintaining a level of academic excellence at their home school.

In addition to collaboration with other schools and community partners, BMS teachers and administrators expanded the use of integrated core curricula within each grade level through the acquisition of an expanded inventory of netbooks and iPads, which the media center organized into mobile labs to afford students the opportunity to meet the increased rigor of district-designed units. BMS also implemented Study Hall +10 to provide classroom teachers an opportunity to provide students with daily content-specific instruction in order to reinforce learning for students who struggled to attain mastery of specific curriculum standards. Participation in extracurricular activities such as the Technology Club provided students an outlet to expand and enrich their real-life application of classroom-acquired skills.

In order to showcase and expand the fine arts talents at Berkeley Middle School, the school hosted its second school play; student auditions increased from the initial year as students' interest in the program grew. Students from across grade levels also collaborated artistically to produce a showcase of talent for the community. Many BMS students expanded their musical talents through participation in All-County Chorus, All-County Band, and Strings.

This year, BMS also founded the BMS Pride Club, which is dedicated to keeping the school grounds and facilities neat, clean, and inviting in order to inspire pride in the school and community.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>73.8</b>
<b>Overall Grade Conversion</b>	<b>C</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Berkeley Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
