Report of Principal and School Improvement Council

Baptist Hill Middle/High School (BHMHS) continues to make systemic progress. On the 2013 report card, our high school was rated Good (with an excellent improvement rating) for the first time since the accountability system was established. We earned the Palmetto Gold Award for academic progress from the State of South Carolina. The programs we have put in place such as Operation Success and the Academy to offer additional academic support during and after school have contributed to the success of our school. In addition, we started our Failure is Not an Option (FINAO) Incentive Program to reward students for their grades and conduct.

The team at Baptist Hill has fostered a data-rich environment. We use the philosophy of high school response to intervention to universally screen all of our 7th, 8th and 9th grade students and place them in math and/or reading interventions if the data are appropriate for tier II/III instruction. For our higher-level students, we offer high school credit in grade 8 in English I and Algebra I as well as a gifted and talented program. Our high school offers honors sections of all our core classes.

BHMHS provides a comprehensive curriculum aimed at giving our students the most important gift an institution of higher learning can provide—the tools for opportunity and choice in their post-graduate lives. For our students, we offer a rigorous curriculum of core classes complemented by opportunities in the arts, technology and career-oriented classes. This year we will increase our post-graduate academy by adding more Advanced Placement (AP) classes, pre-engineering for middle school students, art and drama. We also offer our students dual high school and college credit opportunities through our partner Trident Technical College, St. Paul's Campus.

The sophomore class attended the first annual college road trip and traveled to Savannah State University in Savannah, Georgia. Middle and high school students participated in camps and academic programs at Claflin, Tuskegee and Clemson Universities, the College of Charleston, the University of South Carolina, Morehouse and Voorhees Colleges, Trident Technical College, SPAWAR, and Boeing. Middle and high school students have the opportunity to participate in various athletic and extracurricular activities. Students from the track team received numerous individual and team awards for the first time in over seven years.

At Baptist Hill, we are proud of our tradition of serving our sea island communities since 1948 and we are looking forward to serving students and the community for years to come. At Baptist Hill Middle/High School, we believe in Success by choice...Not by chance!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	62.3
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
