Report of Principal and School Improvement Council

Hartsville Middle School remains committed to academic excellence! Our academic goal for 2013-14 was to provide appropriate academic support for the success of all students by introducing students to thinking strategies that extend their content knowledge . The continuation of the Teacher Advancement Program (TAP) was used as a structure to strengthen our professional learning community for teachers. Student performance and needs were assessed based on the Measures of Academic Progress Tests (MAP), benchmark tests, and classroom assessments. This information was reviewed by teachers, master teachers, and administrators in data and cluster meetings. These meetings resulted in teachers identifying opportunities to provide more individualized instruction, recognition of trends in grade levels and subject areas, analysis of strengths, and areas in need of improvement.

The arts magnet program provided students opportunities to showcase talents and creativity. Several students were recognized during the 2013-2014 school year at the district and state levels for vocal, instrumental or visual arts achievement. The Team Foxes Learning Academy continued to progress with improvements in attendance, grades, and discipline as a result of the additional support and funding from the Byerly Foundation.

The administration and faculty at Hartsville Middle School remain committed to ensuring all students are provided opportunities to excel during their middle school years. We believe students can excel at high levels given the appropriate support. We are very appreciative of the continuous support from parents and the community as Hartsville Middle School continues moving forward!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	75.1
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Hartsville Middle School has been designated as a:

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
