Report of Principal and School Improvement Council

Dear Williams Family;

The Williams Middle School faculty and staff have been involved in various activities to improve student learning. Teachers have participated in both district and on site staff development activities.

Twenty-nine students were recognized at Francis Marion University for meeting the criteria to be name South Carolina Junior Scholars. To qualify, students had to score a 50 or above (80 is the highest score possible) on either math, verbal or writing portion of the PSAT.

The Eight Annual School Wide Showcase was held in February. It provided all students an opportunity to display their work, present a project, or participate in a performance. The Wax Museum continues to be the highlight of the evening.

The Southern Regional Education Board sponsors an improvement initiative, and since joining the Making Middle Grades Work (MMGW) initiative, Williams Middle School continues to refine its programs and improve learning. The goal of the program is to ensure that middle school students are prepared for high school courses. We began utilizing the Redo Café which is an important component of "The Power of the I." This program helps to reduce failures, ensure success, and teach responsibility.

Williams Middle School's students participated in the Sand Hills Regional Science Fair which was held at Francis Marion University. Students from Williams received five first-places, three second-place, one third-place and five honorable mention awards.

Williams Middle School continues to seek additional and better ways to improve academic achievement. We are striving for excellence, and we will achieve it. We ask that you assist us in this task.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	77.2
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Williams Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
