Report of Principal and School Improvement Council

Henry L. Sneed Middle School began its mission of educating young people in 1994. Since its inception, faculty and staff have continued their commitment to provide a balanced, well-rounded education which will prepare students to be successful in high school. This year we taught a record number of over 960 students to become responsible citizens and lifelong learners.

Sneed Middle School's teacher of the year for 2013-2014 is Rosemary Harris. Marie Matthews was Sneed's Support Staff Member of the Year. Both of these staff members make in difference in the lives of students in our school.

In the classroom, our teachers and students continue to exhibit a high level of excellence. Our standardized MAP and PASS test scores remain at a high level. We utilize the latest emerging technologies in our classrooms as we move deeper into the 21st century. Sneed students have excelled in academic and creative competitions.

Sneed Middle School is particularly proud of the participation of its faculty and students in various charitable efforts. Sneed students have provided food and other supplies through our Beta Club, House of Hope, Pennies for Patients and The Samaritans' Purse. Through such programs, our students and faculty learn about the true meaning of duty, service, patriotism and being part of something larger than one's self.

Our mission at Sneed Middle School is to provide our students with a broad-based learning environment with academic, social and charitable programs. Our goal is to send academically prepared and socially aware students to the next phase of their education and ultimately developing responsible and productive members of society.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	81.9
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Sneed Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
