**Report of Principal and School Improvement Council**

As principal of Rosemary Middle School, I am extremely proud of our many accomplishments this year. We are very proud of the involvement of our PTSA (Parent, Teacher, and Student Association), SIC (School Improvement Council), and our partnership with various businesses in the Andrews area. We appreciate the support of our parents and community. Their dedication and commitment to our school has made a positive difference for our staff and students.

Our students have worked particularly hard this past school year. We look forward to achieving AYP and are very proud of the gains that we have shown during this school year. We are also excited to announce that almost 75% of our students qualified for the discipline free field trip in May. As always we will continue to make the necessary improvements to ensure that all students at Rosemary Middle School are given an opportunity to be rewarded for excellence. This rewarding of excellence theme has been incorporated in our 8th graders with the use of the block system that promotes character education and rewards that are attributed to showing responsibility and excellent character.

Our dedicated faculty and staff continue to be committed to improving student achievement. The establishment of the Professional Learning Teams across the curriculum has allowed for our teachers to learn and share a variety of proven teaching strategies. Last year’s professional development focused on understanding and implementing the Common Core Standards. Our teachers have attended several staff developments focusing on creating useful strategies to implement these standards. As in the past we have continued to infuse technology to better equip our students for their future endeavors. Several of our classes are looking at the possibility of becoming paperless, using technology to allow students direct access to the material that they are learning. In addition, the majority of subjects have implemented the use of ISN’s. This process has allowed for our students the ability to become organized and better prepared for upcoming exams and projects.

Our students received numerous academic awards this past school year. A few of these awards include students representing our school at the state level in the Geography Bee and Low Country Spelling Bee. We added a FBLA club, BETA team, and infused our pro-team to the school’s daily schedule. We are proud of our awarding winning music department featuring programs in Band, Chorus, Show Choir, and Drama. In the upcoming year, emphasis will continue to focus on preparing our students for Common Core instruction as well as maintaining a safe learning environment. With the continued help and support from our community, parents, and staff, we are able to ensure that all of our students will have the opportunity to receive an appropriate education.

Michael J. Caviris, Principal

Michele Bland, SIC Chairperson

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>64.9</b>
<b>Overall Grade Conversion</b>	<b>D</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Rosemary Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
