## Report of Principal and School Improvement Council

A major initiative of Woodmont Middle School is the implementation of a Bring Your Own Device (BYOD) program. Personal electronic devices have great potential for student learning in the classroom. A Personal Electronic Device includes any electronic device that could be used for learning (cell phones, iPad, laptops, eReaders, etc.) The BYOD program is a means of preparing 21st century learners, expanding limited technology and adapting to changing technology. Students use their personal devices to take pictures and videos of experiments and performances, create PowerPoints, record voice parts for choral music, text answers, do research and capture shots of teacher notes and explanations.

As an authorized International Baccalaureate School, Woodmont Middle offers the International Baccalaureate Middle Years Programme which uses IB principles to develop balanced students who are caring, knowledgeable communicators, thinkers, inquirers, and risk-takers. MYP encourages students to be independent thinkers who recognize relationships between school subjects and the real world. As part of the IB program, students give back to the stakeholders by participating in community service projects. Students take leadership roles by conducting student-led conferences. Cultural Night is a culminating event each year that showcases student learning across content areas from an international approach.

There are many opportunities for students to expand their learning through extracurricular programs such as Student Council, Beta Club, Book Club, YMCA Model UN, yearbook staff, art, drama, band, chorus, strings, and intramural sports. Beginning in 2014, students will have the opportunity to participate in the school's new dance program.

Mr. Gregg Scott, Principal

Mr. and Mrs. Marvin Carter, SIC Co-Chair

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>82</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Woodmont Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.

**Teacher Quality and Student Attendance**
