Report of Principal and School Improvement Council

The 2013-2014 school year has proven to be one full of excitement and change for Northwest Middle School. Our school year began with a renewed approach to providing a middle school structure, increased focus on student achievement, and bold initiatives and goals aimed at advancing student growth and development. At NWMS we continue to focus on our efforts on creating a strong learning community working to support all student learners.

Over the course of the year, our school completed numerous projects to support student learning. These projects included a new school wide uniform discipline system, implementation of interdisciplinary teaming across the school, additional upgraded technology, extra help and tutoring opportunities, and much more. In December our school received a \$267,000 three year grant from the S.C. Department of Education Office of At-Risk Student Learners Office to implement new strategies to support student learning. The grant allowed our school to purchase over \$30,000 in new tablet technology, implement a new after school Panther Success Center, additional professional development learning opportunities for teachers, and resources to support community involvement in the school. Over the next two years, additional resources will be put in to classrooms including more technology, parent resources, expansion of the Panther Success Center, Saturday school, and more transition support activities for students.

In addition to our academic gains, our students continued to display success in other venues such as sports and arts. Students took part in painting new murals in our school, sports including baseball and basketball continued to earn district honors, the music programs earned high honors at various state and local competitions and festivals. Through a partnership with the Greenville Rotary Club, our school implemented the Early Act First Knight Character Education Program. This \$10,000 investment provided curriculum support and resources to introduce a new character education program focused on the teachings of the Knights of the Round Table.

NWMS students continued to support our community by donating over 1500 canned food items, donating nearly \$6000 to various causes, and supported fellow students through the Christmas giving fund, and continuing support of the Relay for Life.

Northwest Middle School continues to dedicate itself to providing a safe, secure learning environment where students can thrive and reach their potential.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	81.9
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Northwest Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
