## Report of Principal and School Improvement Council

The mission of Langston Charter Middle School is to enrich and empower sixth, seventh, and eighth graders with personal responsibility and compassion for their community through single gender classes and innovative teacher, parent, and community collaborative learning. Langston Charter Middle School expects parental involvement in their child's academic, emotional, and social development.

The school is named for a courageous young girl, Laodicea "Dicey" Langston, who, during the Revolutionary War, risked her life on several occasions in our country's fight for freedom. Her selfless acts and willingness to be involved exemplify the character traits that must exist in people if their community is to be a place of quality. Building on the legacy of people like Dicey Langston, our school encourages academic excellence in students while instilling the values of personal responsibility and accountability.

Langston Charter Middle School opened on August 22, 2005. Since our second year, we have had full enrollment with a waiting list. During the 13-14 school year, our 450 students contributed thousands of hours of service to local charitable organizations and activities. Students in all grades sharpened their leadership skills and won awards at the 2013 YMCA Youth in Government Conference in Columbia. Students were recognized for their performance at the 2014 YMCA Model UN Conference and Junior Forensic League Tournament.

Parent and community support continues to be outstanding. Well over 5000 volunteer hours were logged by parents at school or school-sponsored events. Leaders from local businesses and non-profit organizations brought their experiences and insight to our students through classroom visits, Junior Achievement, a non-profit fair, and other presentations. Our parents consistently model leadership as they serve on our school and foundation boards and contribute their energy and talents to school projects.

Our teachers regularly attend professional development conferences focused on single gender education and continuous school improvement. Faculty members frequently present at conferences, sharing their experience and teaching strategies with colleagues from around the state and across the country. We have continued our collaboration with researchers from Wellesley University to study and document the effectiveness of single gender instruction.

We strive to challenge all students at the highest possible academic level. 145 students earned high school credit for one or more of the following courses: Algebra I Honors, Geometry I Honors, English I Honors, and Spanish I. One hundred percent of our students in Algebra I and English I passed the state EOC exams. Langston was again presented with the Palmetto Gold Award for performance in 2013-2014.

In July 2010, we moved into our third facility, finally achieving our goal of having a permanent home for the school. At 450 students, we are maintaining our desired maximum enrollment. Our vision, as we prepare for our tenth year in service to Greenville County students, is that Langston will be a replicable model for academic excellence, community service, and responsible leadership.

Gregory Abel, Principal      Scott Zemitis, Board Chairman

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>100</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Langston Charter Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
