**Report of Principal and School Improvement Council**

Edgewood Middle School had a very successful year in 2013-2014. Our students and teachers continued to make gains resulting in an "A" rating according to the ESEA/Federal Accountability Rating System. We believe the research-based academic programs we have in place have a direct correlation to increasing test scores. The use of Study Island, focus on school-wide literacy, and use of MAP testing help us to monitor students' needs and guide instruction throughout the year. Algebra 1 was offered to all 8th graders, Explore classes focused on reading and writing, and block scheduling was used in 6th grade and all ELA classes.

We continue to offer school-wide programs to improve the social and emotional culture of the school; which in turn improves the learning environment and academic achievements. Edgewood implements anti-bullying strategies and lessons which teach staff and students to identify, report, and address bullying issues appropriately. We continue to use the PBIS (Positive Behavior Intervention and Support System) to teach, model, encourage, and recognize exemplary behavior and character. This past year we focused on recognizing more academic performance and improvement also.

Edgewood Middle School showed improvements in the number of teachers with advanced degrees, returning, continuing contract teachers, and the number of days the teachers used for professional development. Over 90% of teachers, students, and parents surveyed were satisfied with the learning environment of Edgewood. The average for satisfaction with the social and physical environment improved 10%, and there was an improvement in school-home relations. Continued improvement is what we strive for each year, and we push forward to even better results. Success is Our Only Option!

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>82.6</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Edgewood Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
