Report of Principal and School Improvement Council

Camden Middle exemplified the school motto "Soaring to Excellence" with the help of our students, parents, faculty, staff, and community working together to make Camden Middle a great place for adolescents to learn and grow in a positive and nurturing environment during the 2013-2014 academic year.

Camden Middle continued to "Soar to Excellence" in the arts by being awarded the Distinguished Arts Program Grant from the SDE for more than \$15,000 to provide staff development for all arts teachers as well as dance and theater artist residencies over the next three years. As a result, students performed two plays to showcase their talents. Additionally, one student was named to the All State Junior Band, and two students were named to the Region Three Junior Band. The band also received ten excellent ratings and ten superior ratings for the State Solo and Ensemble Festival. Camden Middle's chorus introduced the first ever CMS Quintet.

In Academics, Camden Middle students "Soared to Excellence" throughout the year. Eighteen eighth graders were named Junior Scholars. We were also proud to have an eighth grader win the Superintendent's Writing Contest for the district as well as the Daughters of the American Revolution writing contest. Over half of our students were recognized for All A and A/B Honor Rolls this year and one hundred forty-four students were inducted into the BETA Club.

Students also had opportunities to give back to the community and further social development this year. Our student body raised \$2886 in support of Kershaw County United Way, and the BETA Club sponsored a very successful two day canned food drive for Food for the Soul. The Fellowship of Christian Athletes (FCA) extended its program (SOS) to allow students to meet twice a week before school to join in fellowship. Students also participated in annual trips to Myrtle Beach and Lugoff-Elgin High School through the FCA.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	80.6
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Camden Middle has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
