**Report of Principal and School Improvement Council**

Throughout the 2013-2014 school year, Aaron Riley Rucker Middle School focused on our theme Ubuntu (oo-BOON-too). Ubuntu is bringing people together. People think of themselves as just individuals, separated from one another, whereas you are connected and what you do affects the whole world. Ubuntu is we Not me! Because of this we were able to achieve Palmetto Silver again. We have attained Palmetto Silver three of the last four years. Our school and many of our students received recognition for their outstanding performances in academics, sports, arts, and much more. The sustained implementation of our International Baccalaureate-Middle Years Programme and focus on literacy helped drive our instruction. More importantly, students discovered how their unique talents, when developed, become pipelines for future careers. Teachers, administrators, counselors, and all other staff members worked together to create a culture that breeds success. We concentrated on learning activities designed to address multiple learning styles and achievement or developmental levels. Although there is still plenty of room for improvement and much work remains to be done, the positive trends in achievement for our students give us greater confidence and serve as a motivating factor to stay the course in our commitment to continuous improvement.

Paula Stegall Lail, School Improvement Council Chair

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>71.3</b>
<b>Overall Grade Conversion</b>	<b>C</b>

60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
