**Report of Principal and School Improvement Council**

In 2013-2014, Carolina Springs Middle School received a “Good” Absolute Rating, indicating that school performance exceeded the standards for progress toward the 2020 S.C. Performance Vision. CSMS also received an ESEA Federal Accountability Rating of “B” for school performance, exceeding the state’s expectations for improvement.

CSMS hosted a World’s Fair Family Night celebrating the culture, food and languages of various nations. Students performed dance routines, shared foods and customs, and transformed the school cafeteria and commons area into a world market. CSMS staff also hosted a Family Literacy Night in April showcasing a variety of summer reading titles and sponsored a “buy one, get one free” book fair. Many e-book titles are also available to students through the CSMS Learning Commons and public libraries. The CSMS Learning Commons maintains a summer schedule so that students have access to books throughout the year.

Our band, choral and orchestra programs received “Excellent” and “Superior” individual and ensemble awards again this year, and the orchestra program received the school’s first-ever outstanding achievement award at the state ensemble competition. Two CSMS First Lego League (FLL) Robotics Teams competed this school year, and staff and students hosted a South Carolina FLL regional competition at our school. One team advanced to the South Carolina FLL competition. Students, parents and staff supported many worthy service projects, including Pennies for Patients, Epworth Children’s Home, Ronald McDonald House, Make-A-Wish Foundation and Relay For Life. Our school raised more than \$5,000 for cancer research and treatment through student and staff service projects.

The PTSA sponsored the fourth phase of an ongoing landscape project by landscaping the back wing of the school and establishing a memorial garden. Celebrations sponsored through the PTSA recognized student and staff achievement through the Husky Hoopla and honor roll recognition programs. School Improvement Council members served as ambassadors to support and communicate school initiatives and the CSMS Mission and Vision.

The challenge for CSMS continues to be serving students struggling with deficits in essential numeracy and literacy skills. Training will continue to ensure students use technology effectively for learning. By providing blended and competency-based learning experiences and enhanced personal mobile computing strategies, we will support struggling learners as well as those prepared to move forward. Our teachers, no matter the content area, will teach literacy strategies to ensure students create meaning from all forms of text.

In partnership with the family and community, CSMS will continue to prepare students to be creative, collaborative, self-directed learners.

Principal Alan Zwart and SIC Chair Tamela Jett

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>79.3</b>
<b>Overall Grade Conversion</b>	<b>C</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Carolina Springs Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
