## Report of Principal and School Improvement Council

The focus for the 2013-2014 school year at Johnakin Middle School was to prepare our students for high school and beyond. From academics to behavior, we strived to prepare our students for life after middle school.

We began this year with a renewed commitment toward recognizing positive behavior. We accomplished this by establishing a team to develop and initiate the implementation of a school-wide action plan. Our plan was created around the acronym of PRIDE (personal responsibility, respect, individual readiness, demonstrated learning and effective behaviors). Our students were consistently acknowledged for showing their Fox PRIDE. This positive climate shift has already made an impact on our school culture and in decreasing our discipline referrals.

Changes were made in several areas to improve our students' academic performance and growth. The master schedule was altered to increase time for core content. Our students received not only remediation as needed, but also acceleration, to prepare them for high school and beyond. Students and teachers set goals and periodically reviewed them to monitor progress. Monthly writing benchmarks and quarterly core area benchmarks were administered to monitor student progress and to develop instructional plans to increase student achievement.

At JMS we believe in celebrating our successes. During this year our students excelled in many areas. Twelve of our students placed at the Pee Dee Regional Science Fair. In our Explore testing, one student made a perfect score. Several of our Junior Beta Club students won events at the state Beta Convention.

In extra-curricular activities, our competitive cheerleading team won the regional championship. Our boys' basketball team finished the season first in our region.

Our school received several grants for the 2013-2014 school year. We were awarded the HEAP grant, the Outreach Grant from Francis Marion, a Target field trip grant and a mini grant from Horace Mann.

While we know we still have work to do, we believe we are on the path toward excellence. We will continue to build on our successes as we continue to prepare our students for high school and beyond!

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>57.6</b>
<b>Overall Grade Conversion</b>	<b>F</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Johnakin Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
