Report of Principal and School Improvement Council

The 2013-2014 school year has been an exciting one for Liberty Middle School. We have continued to improve our academic standing and for the first time we received an rating of "GOOD" on our South Carolina state report card. We completed our fifth consecutive year of test score improvement and were awarded our third consecutive Palmetto Gold/Silver award.

Academic highlights included a continuing emphasis on STEM education. Our sixth graders completed outstanding STEM projects and we entered two eighth grade teams in the regional glider competition. One of these teams finished third in the competition. We had a winner in the county Art competition and we had a record number of students named Duke Tip Scholars and SC Junior Scholars.

Our students also gave back to the community in a variety of ways. Make-A-Wish Foundation, and Christmas is for Kids were beneficiaries of our students efforts. Veterans were invited to a special Veteran’s Day program where they received the accolades of our students.

Our school was recognized by the United States Department of Education as a model for single-gender education and we had several groups come to observe. For the second year in a row we partnered with Clemson University in the ILEP program which brought five teachers from Africa and Asia to our school during second semester. Our athletic teams continued to be successful and our boys football team delivered an undefeated season.

Thank you for your continued support of our school and it's programs!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	77.9
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
