Report of Principal and School Improvement Council

The 2013-2014 School Year has been a year of excitement and positive change for the faculty, staff and students of Alcorn Middle School (AMS). During this past year, Alcorn adopted the district's mission statement—"We are Richland One, a leader in transforming lives through education, empowering all students to achieve their potential and dreams." The faculty and staff continued to provide a safe and secure environment for students to learn and grow academically. Alcorn Middle School continues to focus on quality instruction, proactive discipline, and a positive school climate. Academic achievement and improved South Carolina PASS (SCPASS) scores will remain our top priority. Alcorn Middle is proud of achieving the Palmetto Silver Award for General Performance this school year! The excitement was felt in our school and external school community!

For the first time in several years, Alcorn was able to assist in raising funds for one of our students to participate in the ROSETA Program, where students in Richland One travel to Ghana, West Africa. During the 13-14 School Year, Alcorn was recognized for having the highest number of consistent student participants in the district CRP Afterschool Program. The United Way of the Midlands recognized AMS for being a "Trailblazer" school for donations. AMS students earned placement in the district's Honors Orchestra. Honors earned include: 1st Violinist, 1st Chair/2nd Violin and Viola.

Though we have accomplished much, we will continue to closely disaggregate our test scores in order to maximize our staff/professional development strategies and increase the number of students meeting or exceeding the state standards on the SCPASS. MAP scores were used to identify areas of improvement for students. Based on the data, flexible grouping, targeted instruction, individual tutoring, RTI period and a Saturday Academy program were implemented in an effort to improve test scores and student performance.

There are several challenges we face as we strive to see that all students meet or exceed state standards. They include: increasing parental involvement in the education of their children; motivating our middle-school-aged students to strive to do well academically as their interests may drift away from academics at this level; continuing professional development of best practices and continuously assessing student progress of mastery of standards as our goal. Through the work of teachers, students and parents, we will continue to strengthen our instructional program to ensure success of all students.

We will continue to focus on developing math and literacy skills across all content areas. Alcorn Middle School's theme, "Shifting the Atmosphere Toward Academic Excellence", will continue to be our driving force this upcoming school year. We would like to thank all of our parents, faculty/staff, community and business partners for their support as we progress toward our goals. Without your assistance, our continued progress would not be possible.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	54.4
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Alcorn Middle has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
