Report of Principal and School Improvement Council

Students, parents, faculty and staff at Summit Parkway Middle School are proud to work together to offer a quality teaching and learning environment. In conjunction with the University of South Carolina, Summit Parkway Middle School partners in mentorship roles for undergraduate and graduate education interns and conducting research. Accolades for Summit Parkway Middle School during the past year include the launch of a STEM focused magnet school named The STEM Institute of Design and Innovation. This has fit very well with the second magnet school named The Academy of Exercise Physiology and Sports Medicine.

Included in these achievements are creating a cutting edge credit recovery and skill deficit class focused on remediation, continuing to offer the SOAR (Success Through Organization and Readiness) classes to students in sixth through eighth grades, full 1Two1 integration with every student using their own Chromebook throughout the day and the creation and utilization of a school App that will combine all methods of communicating information into one tool stakeholders can access on their smartphones. We have continued to offer a cutting edge credit recovery/ remediation program focused on skill deficits found. School wide use of Google Chrome has simplified the day’s business while opening up new worlds of collaboration and use of 21st Century skills.

The main foci of the school’s professional development has been Common Core and our new Positive Behavioral Interventions and Supports (PBIS) model which has shown great data proven improvements in the behavior of our students. In addition, The Center For Inquiry, an elementary magnet program located on the campus of SPMS, was recognized this year by the SC Department of Education for its achievement as a Palmetto Gold Award School. CFI’s inquiry curriculum continues to be a national model. In conjunction with its partnership with the University of South Carolina, CFI hosts graduate and undergraduate interns for their student teaching experiences, hundreds of visitors each year, and a consortium of SC schools focusing on inquiry-based instruction

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	78.8
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Summit Parkway Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
