Report of Principal and School Improvement Council

Longleaf Middle School, “Where Children Have Deep Roots & Branching Aspirations,” is proud of a wonderful 2013-2014 school year. From the start of the year where we celebrated a nearly twenty percentage-point jump in our PASS writing scores to opening our new STEAM, school-wide magnet LEAP—Longleaf Engineering & Arts Program—Longleaf has had a successful, seventh year. While our ZooBot magnet program, The School for Zoological & Botanical Studies, continues to thrive, LEAP is about preparing students for the 21st century through enhanced Sciences, Technology, Engineering, Arts, and Math. ZooBot challenges students to be stewards of the environment while immersing them in hands-on academic studies. Through LEAP and ZooBot, Longleaf students benefit from a rich and rigorous curriculum. Furthering their ability to prepare the students, the teachers continue to improve their abilities with 21st century skills through professional development in project-based learning and Common Core, which emphasize collaboration and application of learning leading to innovation and the synthesis of new ideas.

Over the past few years, Longleaf students have begun an upward trend on the PASS math and science tests. With the greater focus on those subjects through LEAP, our teachers and students look to continue that upward climb. The students, also, continue to work hard to raise their achievements in the areas of PASS language arts, science, and social studies, but they are proud of the improvements they are making in PASS writing. Beyond LEAP’s greater focus on engineering-based subjects, the students’ academic performance will also benefit from more art class opportunities such as dance, drama, piano and digital arts. Additionally, our ZooBot program, along with LEAP, is helping to extend their partnerships with Riverbanks Zoo and Gardens so that more students benefit from the many educational offerings of our hometown. Through the help of our new STEAM focus, we have created a partnership with Edventure Children’s museum to benefit of our teachers, students, and families.

This school year, our PTO and Student Council, along with the entire student body, worked on a service-oriented fundraiser with the Go Green Company. Working in partnership, Go Green our students collected clothing for donation to local charities. Our SIC helped to establish a male-mentoring program to complement our existing girls’ mentoring programs. The boys enjoyed wearing their orange and black bowties and serving as school ambassadors while learning more about leadership. Along with other parents, students, and community members, our SIC also worked to outline areas of growth and need to highlight in the school’s revised strategic plan to further our efforts to keep our students prepared to collaborate and innovate in the 21st century.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	74
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

LONGLEAF MIDDLE has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
