**Report of Principal and School Improvement Council**

Our mission at Bates Middle School is to ensure an excellent education for all students by providing innovative, challenging and diverse learning opportunities in a secure environment. At Bates Middle School we provide an array of opportunities for our students in areas where they can excel in academics, athletics, and fine arts.

We offer a challenging and standards driven curriculum that is supported by highly qualified faculty and staff. Although we are proud of the accomplishments and improvements made this school year, we are always looking for ways to address our areas in need of improvement. This effort is a continuous endeavor that is focused on daily.

As we continue to research strategies to improve as a school, we will focus on ways to improve our SCPASS Scores with emphasis on professional development, utilization of research based programs, Best Practice Strategies and techniques in the classroom, and foster an environment and a school culture for high expectations for student achievement and success. As we prepare our students for a global society, we feel that this is pertinent because the Bates' community envisions developing lifelong learners into confident, competent, and contributing members of society.

Dr. Ayesha A. Hunter, Principal

Mr. James Crawley, President, School Improvement Council

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>58.8</b>
<b>Overall Grade Conversion</b>	<b>F</b>

70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
