Report of Principal and School Improvement Council

The 2013-14 school year included growth, opportunities, and unique successes for Fort Mill Middle School. For the fifth year in a row, FMMS was the proud recipient of the Palmetto Gold Award. This award was created for South Carolina schools attaining high levels of absolute performance, high rates of growth and substantial progress in closing achievement gaps among groups of students.

Our students continue to be academically challenged with rigorous and high quality instruction that meets their needs. With the continued addition of more school technology we have added a technology specialist who assists our teachers and students in taking advantage of our mobile labs, chromebooks, and ipads. Our students have used various applications and software programs including: Edmodo, Animoto, Remind 101, Quizlet, Khan Academy, Google Docs, and the Digits math curriculum. To enhance and improve our school's Language Arts program, we added an ELA specialist. The ELA specialist assisted in implementing our student-based iStations lab to help support reading. This specialist also worked with our faculty to improve writing and reading across the curriculum.

Our related arts department continues to enrich our school community through student led theater productions, awards, programs, and presentations. Our band received the Outstanding Performance Award given by the SCBDA. FMMS students participated in a school-wide Black History Month Festival that included guest speakers, an inventions museum, and samples of cultural cuisine.

To promote character education, leadership skills, and provide for a smooth transition to middle school for our sixth graders, we provided a four day summer bridges camp for selected rising 6th graders. Additionally, our school community accepted Rachel's Challenge. As part of this challenge, we developed F.O.R. Clubs. These clubs focus on creating a positive school climate by treating others with kindness and compassion. Our School Improvement Council has embraced the Rachel's Challenge program and is focused on sustaining this challenge on our campus and throughout our community so that FMMS continues to have a safe and healthy environment that encourages attendance and successful performance.

We continue to involve stakeholders in all aspects of our school through PTO, our athletic booster club, and our SIC.

FMMS will continue to promote rigor and relevance in academics and fine arts for the 2014-2015 school year.

Greg Norton, Principal, and Don Sain, School Improvement Council Chair

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	87.9
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Fort Mill Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
