REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

"Beaufort Middle School students and staff celebrated academic, artistic, and athletic successes in 2013-2014. We recognized 19 SC Junior Scholars and 4 State Duke TIP Scholars. Thirty 8th grade students were inducted into the National Junior Honor Society; 25 students served in the class of 2013 Junior Leadership Beaufort; they created and registered the first letterbox in our city as a service project to the community. 29% of our students were enrolled in high school credit classes; 30% received gifted and talented services. Teachers' professional learning focused on informational text and algebraic thinking. Spring MAP scores reflected steady gains for each grade in these areas. Science accomplishments this year include a 6th grade weather balloon launch with video recording of the journey; six science staff members completing a master naturalist class; donation of plants to our campus by the Lowcountry Institute; and our first ever eCYBERMISSION team taking 1st place in the state in this nationwide competition sponsored by the Army Education Outreach Program.

BMS continues as an Arts in the Basic Curriculum and Distinguished Arts Program School, with grant funding for arts instruction and integration. Our first ever musical, Fame Jr. was presented to a sellout weekend crowd; two media arts students entered portfolios in the Piccolo Spoleto Rising Stars Competition; 8th grade media artists created public art for a local museum exhibit on the Freedom Fighters; and chorus students participated in festival for the first time in BMS history. Seventeen students performed in All County Orchestra, 11 in All County Band; two in Regional Orchestra and one in All-State Orchestra; three students were selected to perform in All-State Chorus.

The Lady Gryphon athletes took first place in all district competitions this year bringing home wins for volleyball, basketball, softball and track as 1st place Regional Champions. The first ever Project Unify at BMS was hugely successful as 13 special needs students paired with athletic buddies who served as mentors and coaches for Special Olympics.

Our active Parent Action Council consistently provided support for students, staff, our athletes, artists, and academic honors programs. Over 25 community businesses and resources supported learning at BMS. Students and staff donated \$7,000 to charities including St. Jude's Research, American Heart Association, CAPA, HELP, Cystic Fibrosis, Toys for Tots, and the USO.

We are proud of the accomplishments of our students and staff and the support of our families and community. With the creation of a new strategic plan for the next five years, we recommitted to an arts focus for BMS and to the pursuit of academic excellence for all students, while addressing the challenges that lie ahead for us to support our struggling students and appropriately challenge all learners. We aim to ensure our students use 21st century tools to be college and career ready critical, creative learners.
