REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Bluffton Middle School has completed a 4th successful year being honored with the Palmetto Silver Award with recognition for closing the achievement gap. The many who have contributed to this achievement include dedicated staff, supportive parents, community members, and business partners. We continue to make gains in MAP testing, scoring above the district mean average and on grade level percentage. After School Tutoring Programs (including SPED and ESOL) continue to provide student support along with Read 180, System 44, and Rosetta Stone.

We continue to expand and grow as a PLTW/GTT school of choice. An additional GTT teacher will accommodate the increased student interest. Two teachers were recipients of grants; \$500 Innovative Grant from the Foundation For Academic Excellence and a \$750 Bright Ideas Grant for Robotics both supporting our technology focus. Students are looking forward to the implementation of the 1 to 1 Take Home Device Program this upcoming year.

Bluffton Middle continued with our strong PBIS initiative which supported student positive behavior, in conjunction with our Mustang Path, highlighting Respect, Responsibility, Academic Excellence, and Honesty. BLMS students supported community service projects with participation in Pennies for Patients raising \$3538, "Change for Change" contributing \$2109 to the "Race for Ellie", Student Council's fundraiser for Juvenile Diabetes Research, and the Ladies/Gentlemen's Club contribution of \$753 for Breast Cancer Awareness. BLMS students had the opportunity to participate in 13 after school clubs, adding chess and drama to the offerings this year.

BLMS had 148 7th graders qualify as Duke TIP scholars and 380 participants in the Science Fair. 14 students advanced to the Sea Island Regional Fair and 1 student placed 1st in Environmental Science. Our annual Geography Bee yielded a 7th grade student competing at the state level, and a 6th grade student placed 1st at the State SCACD Poster Contest, advancing to the national level. 11 BLMS students had art or poetry pieces published in the 2013-14 BCSD River of Words publication. Band students received an excellent rating at the BCSD Concert Festival, an overall excellent rating at Carowinds Music Festival, the Silver Award at the Star Music Festival in Atlanta, and 16 students participated in All-County Band.

We are indebted to our many supporters (SIC, PTO, volunteers) who work tirelessly to support student achievement. Our community business partners are vital to the continued success of BLMS programs and to student academic and emotional growth. We are truly grateful for their assistance in helping our students reach their goals and prepare for the future as college and career ready global learners.
