REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The students of Spaulding Middle School, a South Carolina Title I Distinguished School nominee, are continuously making tremendous gains. Highly effective teachers, challenging, rigorous curricula and engaging, technology-driven, student-centered instruction make Spaulding Middle School a great place for students to achieve at optimal levels. This continues to be our driving force as we increase student achievement in all areas.

On-going, authentic professional development has been an integral component of our goal to provide quality instruction to our students. Teachers participate in weekly professional learning communities to collaborate and plan instruction. In addition, teachers attend local, state, and national professional development sessions. Teachers continue to facilitate high quality, engaging instruction for our students.

Benchmark testing in ELA, math, science, and social studies continues to be a strategy used to measure student progress and provide data on student instructional needs. Measures of Academic Progress (MAP) is administered in ELA and math three times a year. Students participate in individual conferences with teachers to discuss test results and strategies for academic growth. In addition, targeted students are provided with the opportunity to use COMPASS Learning, a computer-based program, to address areas of weakness in math and ELA.

Several of our seventh grade students qualified to participate in the Duke University Talent Identification Program (TIP) Talent Search. In addition, one student was recognized at the state level as a Duke TIP scholar!

Our students are also excelling in extra-curricular activities. Our football team and the boys and girls basketball teams all had successful seasons. The academic challenge team represented our school well in all of its matches and demonstrated excellence in the regional conference. Our top achieving students became eligible for membership in the Junior Beta Club. Our award winning music program continued to offer performing opportunities for our students and has earned numerous awards this year. Eligible students also continue to do well in the Youth Leadership Program sponsored by the Darlington County Community Action Agency. Due to our thriving partnership and continued success of participating students, Spaulding Middle School was the 2013 recipient of the South Carolina Community Action Partnership Award.

Spaulding Middle School, a Title I school-wide site, is committed to providing the children in the Lamar area with a high quality education. We will continue to work toward that goal and appreciate the continued support of community and business members.
